## **FOREWORD**

A dream, vague and nebulous at first, grew in the minds of the parents and interested citizens of two communities, Big Stone Gap and East Stone Gap. A dream, large, imposing, and expensive, began to become a wavering possibility when the big question of the bond issue was proposed. That dream became a reality on November 1, 1959. This is no ordinary dream; it is a costly dream which will seek to mold and develop students' ideas and aspirations and to ultimately make those students better, more alert citizens of our community, state, and nation. The building, a dream reality, is nothing more than a shell, a mere structure, until the lifeblood of students and teachers give it an intellectual soul, its very life. This building will serve as the home for boys and girls as they strive to solve the many puzzles and thorny problems of the day. It will be the source of pleasant memories of tomorrow. Thousands of students will enter this building, each bringing with him his own special phantom, his own special hopes. Happiness, fright, curiosity, sadness, anticipation, intrigue, and scintillating laughter will all pass through the doors to give the building life and tradition. Powell Valley High School sows now the seeds of tradition. Students and faculty will mold and shape a personality, a tradition of excellence in all fields: athletics, fine arts, sciences. At the same time this responsibility does not rest upon the shoulders of students and faculty alone. It rests upon the parents, the friends, the community as a whole. Because what the community expects of the high school, the high school will become. It is imperative that the community encourage, yes even demand, the best from Powell Valley students. Powell Valley High School is more than just a building, more than just a football team, more than just a band; it is an intellectual community. With this first edition of the VALHALLA begins a tradition, the tradition of a pictorial assessment of a year's work. We hope that it is and always will be a true reflection of the student body. Thus the VALHALLA seeks to record here the beginning.

...in the beautiful Powell Valley

... the foundations were poured...and the building began to take form.

## **DEDICATION**

The people who really leave a mark in this world are the people who dare to strive to do the everyday job in an unusual way. Education, probably more than any other profession, presents an everlasting challenge to those men and women in whose hands rest the responsibility of teaching and guiding young people. Probably no profession has as great an influence on the future as does the field of education. Rare in this work-a-day world is a man who knows what he wants and sets about to accomplish it in an unassuming, yet tireless way. The Wise County School System has been privileged to have such a person at its helm for forty-three years. Dr. J. J. Kelly, Jr., an outstanding educator, has been the guiding force through prosperity, depression, progressive education, and the present swing back to an emphasis on academics. At all times he has pursued an educational policy which has proved to be both realistic and visionary.

To Dr. Kelly we affectionately dedicate this, the first edition of the VALHALLA.

## SENIOR CLASS HISTORY

Soon the first school year at Powell Valley will end. For those of us who compose the first senior class, this will be a time of pride and remembrance, a time of hope and looking forward. For some, it will be the end of formal education; for others, the opening of a new cosmos of learning and understanding as they plan for college.

But whatever graduation means to each of us, we all remember the experiences, the trials, and the maturing of minds and bodies which led us here.

We remember the trepidation with which we entered the eighth grade, with its new routines and schedules, its sudden responsibilities and duties. We were sure that no group of eighth graders had ever felt bewilderment as profound os ours.

We remember our second year, and the pride we felt, not only at having risen to the esteemed position of freshmen, but also with the realization that we were beginning to become a class, a group. We remember the sotisfoction of bullying those in the class below us and our owe of those in the classes above us.

We remember our sophomore year, which brought our final adjustment to high school life and the questions, "What courses will I take? Will I go to college? Where? What will my vocation be?"

Of our high school days, we will perhaps most vividly remember our years as juniors. The excitement of record magozine sales, the pride of ordering our class rings, the thrill of our prom-these things we will remember about this wonderful time, but we will also remember that it was in our junior year that we experienced for the first time the full realization of ourselves and knew that we would be a part of the first senior class of Powell Valley.

Our freshman year was really the first year that we felt like "high schoolers." We began to take an interest in the activities about us and work more vigorously toward our senior year.

The year that we acquired the title of sophomores was a strong link in our chain of high school years. The females of this class tremendously enjoyed exercising their vocal chords. It was because of this that we formed the Girls' Chorus which added extra fun and enjoyment to our second year of high school. Our first performance was at the Junior Play in which we sang several of the top tunes around the nation. We also sang for the graduation exercises and several assembly programs; a white dress was our favorite costume.

The year we became juniors gave us the feeling of satisfaction and accomplishment. Our four year race was almost finished. One of the highlights was our junior play. It was a hilarious comedy and a very successful one also. Most of all, it made us enjoy each other's wit and company. The second big thrill was our long-awaited class rings. There was much commotion and excitement at their arrival. At long last, we had something tangible to show for our labors.

Now we are seniors. We will remember this year and the years which have made it possible. We will remember the exhibitance of receiving our senior rings, which we had chosen as a standard for Powell Valley seniors in years to come. Then came the dayl The caution, the anticipation, the fear, the excitement of our first day at Powell Valley are feelings which we all shared. Cards, pictures, cap and gown measurements, graduation announcements, last band appearances for some, the first edition of the VALHALLA----- these experiences, symbols, and events we will remember, along with the friends we have made, the teachers who have led us, and the ideas and ideals we have formed.

As our last year of high school comes to an end, we fully realize that our education does not end here, Whether our professional schooling continues or not, we will continue to learn, to think, and to use the knowledge we have ocquired through the years. Now we must cross the bridge from our senior year to our future. This is a difficult task for some of us, but our hopes and expectations of what lies ahead for us cannot be dulled by fears and doubts. Our heorts are strong with the courage of youth and the determination to succeed in the life that is before us.

In the fall of 1959, we became juniors--enthusiastic, blissful, and lost in our new school.

For a while we were strangers but soon we realized Powell Volley was really ours and we worked diligently to make every moment count. We often had to be pushed along by our faithful sponsors, Miss Read, Miss Broodwater, Miss Rose, and Mrs. Wendell.

In February we poced from door to door selling magazines and trying to set a new record. With port of our profit, we made possible a memorable prom. We juniors had the honor of giving the first prom to be held at Powell Volley High School.

Loter in the year we onxiously ordered our closs rings. It hordly seemed possible that the time was here at lost.

The year was soon nearing its end. It was hard to believe that we were no longer juniors but tomorrow's seniors.

On November 2, 1959, the Sophomores of East Stone Gap and Big Stone Gap combined to form the Sophomore Class of Powell Valley High School. Although we had already been in school for two months, we felt that this was the actual beginning of one of the most important years of school.

We had passed through our Freshman year with flying colors and were now well acquainted with high school life. We soon realized that this year would have to be one of hard work and study to prepare for the finishing years of high school, but it was not to be lacking in fun and frolic. Our class was well represented in both the football and basketball teams, the Glee Club, Hi-Y, Roman Club, F. H. A., Key Club, and the band. We've taken a most active part in the various assemblies.

Now we're looking forward to next year and the many special activities and opportunities of Juniors!

We also sincerely wish to thank our ever-encouraging and understanding sponsors, Miss Cox, Mrs. Rose, Miss Willis, and Mrs. Whitt, for their patience and guidance in helping us to reach our highest goals.

On November 2, 1959, many excited Freshmen made their way into Powell Valley High School. Here in this large and beautiful building they plan to prepare a very profitable future.

In this building many useful things were added, such as the laboratories which give more room, more supplies, and more storage. Another wonderful thing is our gym, very large and very beautiful.

Through the guidance of our sponsors, Miss Fitts, Mrs. Cloud, Mrs. H. Brooks, Mr. Miller, and Mr. Munsey, our school year of 1959-1960 has become very beneficial as well as entertaining.

We shall dream of the unforgettable experiences of the past years, but we are looking forward to our remaining years at Powell Valley High School.

On August 25, one hundred fifty-five happy and energetic boys and girls started to school. We were happy because this was our first year of a thrilling and new experience. We were high schoolers! We were especially hoppy because we would move into the new school. When we arrived at the new building, we jumped with joy; but we jumped still higher when we received our lockers. We thought we were big shots until we realized we were, in a sense, first graders! But still we tockled our lessons and went to work. Under the guidance of Mr. Gibbs, Mr. Moddux, Miss Tote, Mrs. Botts, Mr. Caudill, and Mr. Osborne, we flew through our books.

In extro curricular octivities the eighth grode shone brightly. In footboll the first string of the Junior Varsity teom was dotted with eighth groders--and so was the bench! Under the guidance of Cooch Osborne, the team, winning five games and losing only one, were the champions. In bosketball and bond the eighth grode was well represented.

We have completed the first step of five long steps and ore looking forward to steps two, three, four, and especially five, when we will receive our diplomas from Powell Volley High School.

### THE POWELL VALLEY VIKING NEWS AND VIEWS

In January af 1960 the editor of the lacal weekly, The Past, asked that steps be taken to draw the new school closer to the town, complaining that the geographical location had a psychological effect of remateness, that the parents were losing contact with the school. Accordingly, it was agreed that calumn carrying vital bits of information as well as routine happenings at Pawell Valley would appear regularly in The Past. Mr. Jack H. Gibbs, Director of Guidance, accepted the challenge and began the calumn, "Viking News and Views", shartly thereafter. Helping him was Bruce Osbarne who handled sports and roving reporter assignments. In all, twelve editions carried the much read "VNV" as it sought to interpret the school to the parents.

With the caming of the 1959-1960 school year Powell Valley High School and its Viking Band came into existence. Far the band the cansalidation of the two high schools presented na problem because far the past several years the Big Stane Gap High School Band had had members from East Stane Gap High School.

Far many weeks hearts thrabbed with anticipation of the arrival of the band's beautiful new red, white, and blue uniforms. The new Viking Band sparted its new uniforms at the football game with St. Charles. Feet were raised high and the cadence was brisk as the band marched with pride for the first time in its new uniforms.

In summer and early fall the baseball field at Bullitt Park was the scene af many hours of tedious work as Mr. McChesney instructed the band in its intricate drill maneuvers. At practically all of the faotball games the Viking Band was "an the spat" supplying pep far the team and flashy entertainment far the spectators.

One of the annual highlights far the band, the Bristal Band Festival, climaxed many lang hours of drill. The band presented to the judges and the spectators what not only we, but many spectators and high-ranking band men in the country, termed the most difficult show presented that day. A drill show consisting of a squad movement (twelve six-man squads), three gigantic pinwheels, climaxed by a giant 90 degree turn of the entire 50 yard campany frant was performed. This performance yielded a Division 1 traphy, the first trophy for Pawell Valley High Schaal.

At the conclusion of the football seasan the scene changed to the beautiful new band room and concert work began. Twenty-one members participated in All Wise-Caunty Band on Navember 21 and 22, and ten members participated in All-State Band West in Radfard on February 5, 6, and 7. Many hours of practice enabled the band to attend the annual Regional at Abingdon an March 19. The band ended the year with the presentation of a concert in April, playing the finest classical selections and marches, in addition to current papular favorites.

As we stop and laak back, we find that all of these many happy and memarable experiences would not have been possible without ane waman, our wonderful director and a wanderful person, Mrs. "Mac".

The ultra-modern choral room, the beoutiful music, and the excellent leadership of Mr. Gibbs are only a few of the many reasons for the high competition among members of the student body for a place in the Glee Club. Only seventy people from the entire high school to be in the first Viking Glee Club. Because no Christmas would be complete without the annual coroling, the Viking Glee Club premiered at Christmastime with performances of Powell Volley, East Stone Gop Elementary, and Big Stone Gop Elementary. Later in the year they entertained the Kiwonis Club and the student body with a concert. Certainly the entire school can look upon these with a feeling of pride and accomplishment.

The Speech Club, a very active club in Powell Valley High School, eagerly plunged headlong into the busy year. First on the calendar of events was the election of officers on November 10.

We started the year by doing different, famous orations. A passer-by could have heard quotations such as..."Four score and seven years ago" ...."But, as for me, give me liberty or give me death"..."We the people of the United States, in order to form a more perfect union".....
"We hold these truths to be self evident," plus our favorite poem.

The first three weeks of October were devoted to parliamentary procedure and law. We held various meetings using the proper parliamentary procedure.

Before the Christmas holidays we presented a lively one-act play entitled "Teacher's Pet," to the entire student body. After midterm, the sixteen members of our class were struggling with the art of formal argument, debating. The students were debating such questions as:

Virginia and the sales tax,

A student exchange program on the secondary school level for the United States and the USSR,

Emphasis in high school on academics versus athletics and extra-curricular activities, and

Federal aid to education.

We have enjoyed our own stage in the Speech room, which has afforded us ample room and an opportunity to gain the needed stage experience to make our programs more realistic.

We are looking forward to participating in another one-act play, humorous readings, pantomines, and a radio play.

Our thanks to our capable sponsor, Mrs. Rose, who with her limitless ideas and enthusiasm has helped in making 1959-1960 another successful year for the Speech Club.

The Lonesome Pine Hi-Y Club exerted great influence upon its fellow students and faculty, as well, by putting into practice its purpose, "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character," and its platform, "Clean speech, clean sportmonship, clean scholarship, and clean living."

With the movement to our new school, we put out the welcome mat to other interested students. As a result, we found many eager to become members of our organization.

Among our projects this year were the distribution of food to needy families at Thanksgiving and Christmas, placing "Thoughts for the Day" on our bulletin boards, and conducting an assembly. In November we were host to the Western District Conference with our own Brenda as the President and presiding officer. We hope that this year and each new year will find us a little closer to the fulfillment of our purpose, "High standards of Christian character."

The Raman Club is a chapter of the Junior Classical League, a national arganization composed of local classical clubs in high schools throughout the United States and its territories.

The purpose of the Junior Classical League is to encaurage among high school students an interest in and an appreciation of the civilization, literature, and art of ancient Greece and Rame, and to give them same understanding of the debt of our own culture to that of classical antiquity.

The active members of the Raman Club are those students taking first and second years Latin. Honorary members are those who have successfully campleted two years af Latin.

Saan after mid-semester examinations the first year Latin students were initiated into the club at a party held in the school cafeteria. Latin II students received their J. C. L. pins at that time.

The praceeds from the Hallaween Carnival baoth was used ta purchase these pins. The club's service praject was to sponsor the drive for danations for the Crippled Children's Society of Virginia an the Saturday befare Easter.

Tempus fugit and the year was gone. We wish to express our appreciation to aur sponsors, Mrs. Grace Rose and Miss Dingus for their guidance through the hurdles of Latin 1 and 11.

"The Conquerors" of Powell Valley High School now total 31 from the first and second year classes.

These members of the Spanish Club again presented to the student body a Spanish celebration. Johnny Garrison presented each "conqueror" in his bright Spanish array. All the thrills of a Mexican bullfight, the beauty of Spanish music, the intracacies of the Hat Dance, the comedy of Cisco and Pancho were presented in this colorful Spanish fiesta. Susan Hollifield portrayed the beautiful Madonna, a reverent scene followed by the reading of the Lord's Prayer in Spanish. The fiesta ended in group singing of Christmus songs led by Mr. Gibbs.

At the annual spring picnic, new members were initiated and presented with their pins. This ended another successful year for "The Conquerors," under the quidance of our new and capable sponsor, Mr. Wade Miller, Jr.

The main objective of the Future Homemakers of America is to increase individual understanding and to promote better family life.

This year we have "procticed what we preached" through our various projects of home and at school. Some of these major projects were: preparing Christmas baskets for underprivileged children in the first and second grades, presenting a Christmas Ideo Festival, participating in the Black Diamond Federation programs, and presenting our annual foshion show.

With the unwovering assistance of our leaders, Mrs. Kathleen Horne and Miss Doisy Fitts, we know that we shall surposs these achievements and attain even higher goals in the future.

The 4-H Club is a kind of training in which rural youths learn better ways of farming and home making, better ways of working together in groups and on community matters, better ways of living. It puts the emphasis of self reliance, character, and an appreciation of the things of the open country. It makes for good homes, good citizens, and cultured rural life.

The pledge of the 4-H Club is "I pledge my head to clearer thinking, my hands to larger service, my heart to dearer loyalty, and my health to better living and greater service for my club, my community, and my country."

The Future Business Leaders of America Club forms a sound foundation for business careers for many young people today. Any student who is enrolled in at least one business course is eligible for membership.

Some of the purposes for which the organization was formed are: (a) to develop competent, aggressive business leadership, (b) to strengthen the confidence of young men and women in their work, (c) to create interest and understanding in the choice of a business occupation, and (d) to develop character, train for useful citizenship, and foster patriotism.

There are three degrees of active membership: (1) assistant, (2) supervisor, and (3) leader. The twelve students with the highest averages in business were given leader and supervisor degrees. Students with leader degrees have completed two and one-half credits in business and supervisors have completed one and one-half credits.

We are Chapter 1622 of the National Organization of F. B. L. A.

The purpose of the Distributive Education course is to present the fundamental principles and practices of retail merchandising that should be mastered by all who wish to enter retailing as a possible vocation.

Our chief project to raise money this year was the Halloween Carnival in which we had the cake walks and grab bags.

The annual D. E. Convention was held in Norton this year. Because last year's convention was so successful we looked forward to this year's convention.

We have a new D. E. instructor, Mr. William Curry. He has been very patient and understanding with us, and we have learned much through his efforts.

Powell Valley Gossip

A vital part of any high school program is the series of assemblies held each week during the year. At Powell Valley High School the responsibility for setting up the schedule for such a series is a faculty committee composed of Mrs. Botts, Miss Scott, Miss Cox, and Mr. Gibbs. The goal of this committee was to present a variety of programs utilizing pupil talent and participation, teacher supervision, and community resources. Throughout the year a variety of talent has filled the regular Friday slot.

College Day welcomed former students back to tell about their colleges.

Cheerleaders were on parade several times to give rousing cheers for the football team.

Two All Star Talent Shows gave the student body an idea of what potential we really had in aur school.

Fire Prevention Week arrived complete with all the fire engines in town.

The Viking Band gave us a review of the Bristol Band Festival and a Spring Concert. Girls of the band gave "Powell Valley Gossip", a one act play.

American Education Week ushered us into the new building and a group of students gave a brief outline of the many courses and opportunities offered at our high school.

Thanksgiving was an appropriate time for the Hi-Y Club to present an assembly.

The Speech Club presented "Teacher's Pet", a lively one act play. The Spanish Club brought in Christmas with a bang with the annual fiesta. Glee Clubbers caroled in the halls to make the sea-

Key Clubbers evaluated its purposes and projects.

The V.O.T., F.B.L.A., and D.E. Clubs gave us a look at the many facets of business training offered.

The First Annual Science Fair was held at Powell Valley and the student body got a sneak preview of the many projects.

February, the month of presidents, brought the usual Americanism program with many old familiar pieces of national documents.

National Library Week was celebrated with a book parade. Characters stepped from books to emphasise the value and pleasure derived from reading.

Future Homemakers got into the act with their program.

Mr. Gibbs and the Viking Glee Club sang their way into the hearts of the student body with old favorites and new arrangements.

Ministers who participated in the programs included: Rev. C. W. Dye, Rev. C. S. Wilson, Rev. J. R. Woodside, Rev. William D. Henderson, and Rev. W. B. Galloway.

Graduation 1959 finds the members of the Senior Class in New York City. For a time, at least, Times Square belongs to this group of boys and girls. As the curtain opens people are walking up and down, sightseeing, and enjoying the awesome bigness of this wonderful town. From the distance a Salvation Army Band is heard approaching. After an interesting interlude the small town boys arrive and make their presence felt as they take over the Square. Naturally, and inevitably, their interests center on the girls who are to join them momentarily. With the stage thus set New York becomes a fantastic backdrop for the display of this talented group.

A new era began at Bullitt Park this year, that of the Powell Valley Vikings. This new name in District Eight came as the result of the consolidation of the Big Stone Gap Buccaneers and the East Stone Gap Tigers. Although this was the first year for the Vikings, they already established themselves as sportsmen with a desire to win.

On August 15, approximately 60 boys donned their football togs and hurried onto the field for their first Viking practice. After two weeks of preparation under the constructive eyes of head coach, Burchell Stallard, and backfield coach, Cecil Maddux, we became a nervous but anticipating squad, waiting the first game.

In the first two games, Powell Valley shut-out the Jonesville Bulldogs 20-0 and the St. Charles Midgets by a score of 28-0.

On September 18 the Vikings faced their first major opponent, the Coeburn Blue Knights. The game ended in a 0-0 stalemate, with both teams playing excellent defense.

By a 7-0 score, the always powerful Clintwood Green Wave handed Powell Valley their first defeat, but the Vikings quickly rebounded the following week to defeat the Wise Indians 19-0.

On October 9, in a sea of mud, the Black Raiders of Norton and the Vikings fought to a 0-0 stand still.

Looking for revenge, the Vikings trounced the Gate City Blue Devils by a score of 31-0 and shut-out a stubborn Pennington team 19-0.

After a week of preparation, we met the Appalachia Bulldogs in an annual classic. The Bulldogs struck fast and deadly through the air on the first play for 6 points. This ended the scoring of the game and thus the first Viking season.

The Vikings placed three members on the All District team. Those making this honorary team were:

Dennis Langrel 1st team Offensive Tackle

J. D. Williams 1st team Defensive Linebacker

Phil Buchanan 2nd team Offensive End

#### FIRST TEAM—OFFENSIVE

....and with the creation of the Vikings came the "Junior" Vikings. Made up of younger boys, this program was designed to add experience to the desire to play football. In future years, the Powell Valley Vikings will indeed prosper, due to the efforts of these industrious young boys.

Under the supervision of Coach Osborne, sometimes critical but always patient, these boys worked diligently to mold themselves into a team of which we are very proud.

Although this is the first year, we have had such a junior varsity program that the "Junior Vikings" amassed a record of five victories and one defeat. Thus they ended their season labeled JUNIOR VARSITY CHAMPIONS OF DISTRICT EIGHT.

# Varsity Basketball

COACH: CECIL MADDUX

The Vikings, under the capable and patient leadership of Coach Maddux, initiated their first basketball season with an over-all record of 10 wins and 10 losses.

During regular season the Vikings compiled an 8-8 record and then began preparation for the tournament to be held this year at Powell Valley's new gym.

In the first game of the tournament Powell Valley turned back the Wise Indians by a score of 68-55. This gave the Vikings a berth in the quarter finals in which they were to meet highly regarded Rye Cove. With upset in mind, we downed the Eagles in a thriller, 44-41. Playing superbly, the Vikings lost a 37-36 heartbreaker to Pound in the semi-finals; nevertheless, this entitled us to play in the consolation game of the finals. Although Clintwood defeated the Vikings in this game, we ended the year in fourth place in District Eight.

The usual starting line-up consisted of John D. Williams and Jim Slagle as guards, Ted Johnson as center, Joe Graham and Phil Buchanan as forwards.

Also seeing plenty of action for the Vikings were Harold Thompson, Gary Potter, Louis Collier, Jack Lane, and Bruce Shull.

The individual sportmanship award given by the Lions Club was awarded to Joe Graham.

In view of previous records, much of Powell Valley's basketball success may be attributed to the Junior Varsity program. Pointing out the efficiency of this program, all of the Varsity players this year had had previous JV experience. Nevertheless let us not overlook the untiring efforts of Coaches Maddux and Stallard.

To be eligible for Junior Varsity competition, a boy must be a bonafide student in good standing; he must be in the eighth grade or above; he must not have exceeded his nineteenth birthday by six months; and also, he must have passed at least three subjects prior to the semester in which he is to play.

Although the JV won only 5 games this season, they reached a climax when they upset Pound 25-20, and then outdistanced Clintwood 28-27.

The usual starting line-up consisted of: Sam Hall and Jim Graham as guards; Jimmy Galloway as center; Jack Graham and Bobby Harkleroad, as forwards.
